LOYOLA UNIVERSITY CHICAGO

POWERPOINT

Presentations representing Loyola are united in the slide hierarchy of titles, section- and chapter openers, and closing slides. The template offers a tight framework for content, though there is leeway.

STARTER MASTER SLIDES · Use web-safe template for online collaboration and most other uses. Available as 16:9 and 4:3.

Title-text

Title-image-maroon

Title-image-white

Title and End slides include the brand logo. Units may be identifed in labels or headlines, and the text sizes may increase depending on audience.

Section openers

- Many items are accessible only by editing on Master pages.
- Color is part of pacing. Color slides create emphasis when preceded by slides with basic white backgrounds.
